

Film Features & Benefits:

Product Presentation

- Made with clearest resins
- Best film clarity for retail
- High gloss film for perfect presentation

Performance

- Exact seal and shrink properties
- Performs well on high-speed equipment
- Increased film per roll = less roll changes
- Film conforms around cucumber

Waste

- Low gauge film (0.45 MIL)
- More yield on a single roll
- Minimizes physical damage in transit

Shelf-life

- Slows evaporation
- Keeps cucumbers fresh longer

All Films Are FDA Approved
